FOREWORD

The Board of Real Estate Commissioners was established by an Act of the State Legislature in 1943. Chapter 27A (p. 20) of the Ordinances of 1954, Chapter 2, changed the name to "Real Property Department" but the statute is incorporated into the ordinance by reference. Since that time the Board has had the care, custody, management, and control of thousands of lots of land which came into the City's possession via the Land Court, as a result of nonpayment of taxes by previous owners.

The problem of keeping the general public advised as to the extent of the City's real estate holdings available for purchase is a perplexing one, and it is hoped by the Board that through the medium of this publication the purchasing public, through careful perusal of the following pages, will become familiar not only with the available parcels for sale, but also the method and manner by which the parcels can be acquired by private individuals.

The thousands of persons who annually seek information at the Office of the Real Property Department are genuinely surprised when informed as to the extent of the City's ownership of properties throughout Boston and the facility with which the properties could be purchased.

It is well to remember that under no circumstances can the Board sell any property under its control at a private sale. The only method established by the Legislature for acquisition of the within-described parcels is by public auction. The law further provides that the Chairman of the Board may reject any or all bids where, in his opinion, no bid is made which approximates the fair value of the property. The Chairman's action is subject to regulation by the Board as to his procedure. Said procedure, established by the Board, was created for the purpose of processing the many parcels sought by the public as expeditiously as possible. The preliminary step to be taken by an individual seeking to purchase a parcel of land under the jurisdiction of this department is to file an application, a facsimile of which may be found in this book. The individual makes an initial offer directed to the attention of the Committee on Foreclosed Real Estate, which Committee consists of three members of the board designated by his Honor the Mayor. The Committee acts upon each application separately and establishes a minimum price that it will approve at public auction. The individual who made the offer is then notified that the Committee has either accepted his offer as a minimum price, or that the Committee has rejected the offer and has established a different minimum price than that offered.

The offeror, if satisfied with the price established by the Committee, then transmits to the Office of the Real Property Department a deposit in the amount of twenty-five (25) dollars, as a guarantee that he will appear at the public auction sale, at the time and place set by the Committee, for the purpose of bidding. In the event that he appears at the sale and is the high bidder at public auction, the twenty-five (25) dollar deposit will be credited toward the purchase price. On the other hand, if he appears at the sale and is not the high bidder, his twenty-five (25) dollar deposit will be returned to him. In the event that the depositor does not appear at the sale, then he forfeits his twenty-five (25) dollar deposit, which amount is used toward covering the expenses entailed by the City in properly advertising the sale.

In compliance with the governing statutes, a fairly complete description of each parcel about to be sold is posted for fourteen consecutive days on the bulletin board in the Office of the Real Property Department and also on the bulletin board at the Suffolk County Court House The notice also contains the minimum price established by the Committee and the place, date, and hour of the sale. The public is further informed in attractive advertisements published on the real estate pages of the Boston Sunday newspapers.

From January 1, 1950 through December 31, 1959, the Board has sold to individuals 3282 parcels, bringing into the City's Treasury approximately $2,127,002.

As of December 31, 1959, the Board had under its jurisdiction approximately 2746 parcels, most of which are now available to the general public, should they desire them. Many of the lots are extremely desirable for either industrial or residential purposes, as a careful analysis of the within listings will show.

In the event that anyone is desirous of renting or leasing any of the properties within the jurisdiction of this Board, the individual will be cordially received at the Office of the Real Property Department, and will be properly advised as to the procedure to be followed.

The Office of the Real Property Department is open daily from 9 A.M. to 5 P.M., Monday through Friday, fifty-two weeks of the year, holidays excepted, and the reader of this volume is invited to call upon us at any time for advice or counsel concerning the thousands of lots under our jurisdiction.

From time to time parcels listed herein will be sold and, therefore, no longer available, and other parcels will be added to the list.

Addenda may be applied for at Room 811, City Hall Annex, during the regular business hours.

In the compilation there may be slight errors in the areas of the numerous parcels of land, or in the assessed valuations as they appear. However, if there is any particular parcel that the reader finds himself interested in, he may check with the Board of Assessors for the true, current assessed valuation.

It is the intention of the Committee on Foreclosed Real Estate to sell as many parcels as the public cares to buy, and no reasonable offers will be refused.

JAMES J. SULLIVAN, JR.,
Commissioner of Real Property.

PERTINENT LAWS AFFECTING SALES OF CITY OWNED REAL ESTATE

Statute 1943, Chapter 434.

AN ACT ESTABLISHING IN THE CITY OF BOSTON THE BOARD OF REAL ESTATE COMMISSIONERS, AND SETTING FORTH ITS POWERS AND DUTIES.

Section 1. There shall be in the city of Boston, . . . a board to be known as the board of real estate commissioners of the city of Boston, . . . which, shall consist of the city treasurer and the chairman of the city planning board, ex officiis, and three other persons to be appointed by the mayor. . . . The mayor shall designate one of the appointive members as chairman. . . .

Section 2. The chairman, subject to the regulations of the board with respect to his procedure, shall have the care, custody, management and control of all property acquired by the city by foreclosure of tax titles or acquired under section eighty of chapter sixty of the General Laws, whether acquired before or after the effective date of this act, . . . and (St. 1950, CHAP. 318; St. 1951, CHAP. 159) all other real estate of the city not held for a specific purpose irrespective of the manner or time of acquisition of such real estate, including all buildings or other structures and all lands or rights or interests in lands or other property subject to section 4 of chapter 297 of the acts of 1929 which, in the opinion of the board, has ceased, or at any time shall have ceased, to be needed for the purposes of said chapter 297; provided, that the chairman subject to the approval of the board, may make contracts for such care, custody, management and control.

Section 4. The mayor shall appoint from the board a committee consisting of the chairman and two other members, to be known as the committee on foreclosed real estate. The chairman acting on behalf of the city, may, subject to the restrictions hereinafter provided, let or lease real estate referred to in section two or any portion thereof, or interest therein. The chairman, acting on behalf of the city, subject to such restriction, may also sell such real estate, or any portion thereof, or any interest therein, at public auction, first posting a notice thereof in two or more convenient and public places in the city at least fourteen days before such sale. . . . The chairman may reject any and all bids at such sale or any adjournment thereof if in his opinion no bid is made which approximates the fair value of the property, and he may adjourn the sale from time to time for such periods as he deems expedient, giving notice thereof at the time and place appointed for the sale or any adjournment thereof. . . .

Section 5. No lease or sale made under section four shall be valid unless approved by a unanimous vote of the committee on foreclosed real estate, or by a vote, approved by the mayor, of a majority of the board. A certificate of the vote of the committee on foreclosed real estate, or of the vote of a majority of the board and the approval of the mayor, as the case may be, shall be made by the secretary of the board and attached to the lease or deed.

Section 7. The city treasurer of the city shall, in the name and on behalf of the city, execute and deliver any instrument necessary to convey any interest of the city under any provision of this act.

Chapter 27A, Ordinances of 1954, Chapter 2. . . . "The real property board shall have the powers and perform the duties conferred or imposed on the board of real estate commissioners by chapter 434 of the acts of 1943, as amended," . . .
